VISITOR PROFILE

- Shoe Manufacturers
- Leathergoods Manufacturers
- Wholesalers
- Distributors
- Importers

WHY TURKEY

- The production capacity of the 33 leading companies in the sector is 328,100 pairs daily. In addition, there are many small and medium size establishments in the sector.
- Well-established transportation routes and direct delivery mechanism to most of the EU countries
- Easy access to 1.6 billion customers in Europe, Eurasia, the Middle East and North Africa
- The military boots, work and safety shoes industries in Turkey have developed significantly in recent years. These sectors are producing according to international standards, and shoes with the CE mark are exported to European countries.

WHY AYSAF

- Providing an efficient commercial atmosphere, where business partnerships could be established between participants and professional visitors, the exhibition offers you extensive opportunities in terms of business connections.
- To be a part of the 2nd largest footwear fair in Europe and the largest in Eurasia as well as the only international footwear exhibition held in Turkey.
- To have direct contact with various exhibitors and visitors to expand your distribution channels.
